TRAVEL INFORMATION CENTRES

Expect a friendly welcome, personal attention and a wealth of travel information at Alberta Tourism, Tourism Zones, and Community Travel Information Centres. Ask about hotel and motel accommodations, campgrounds, attractions and events around the province. Most centres also provide washroom and picnic facilities.

+ These information centres are operated by Alberta Tourism. Look for them on major highways as you enter the province. Urban information centres are located on the city maps. Centres operated by local tourism zones provide information on their region.

In Canada, all measurements are made using the metric system. Guides for approximate conversions are included below. Rain and snowfall, windspeed and visibility are expressed in metric units. Listings of commercial and public accommodation, including parks and campgrounds, are published in the Accommodation in Alberta and Campgrounds in Alberta guides. Sightseeing attractions are outlined in the Touring Through Alberta guide. For copies of these and other guides, visit any of the Alberta Tourism's Information Centres, or write Alberta Tourism, Box 2500, Edmonton, Alberta T5J 2Z4.
